

YuJa Enterprise Video CMS

Video Hosting, Streaming, and Management

Deploy An Enterprise-Grade Video CMS

Upload Any Digital Assets

Ingest, export, and link virtually any document type, image file, audio file, video file, YouTube, or Vimeo video.

Campus Media Library

Create a searchable media library across your organization. Store and manage your organization's video library and playlists.

Unified Media Management

Sort all your assets in one centralized location, scaling thousands of assets across multiple users.

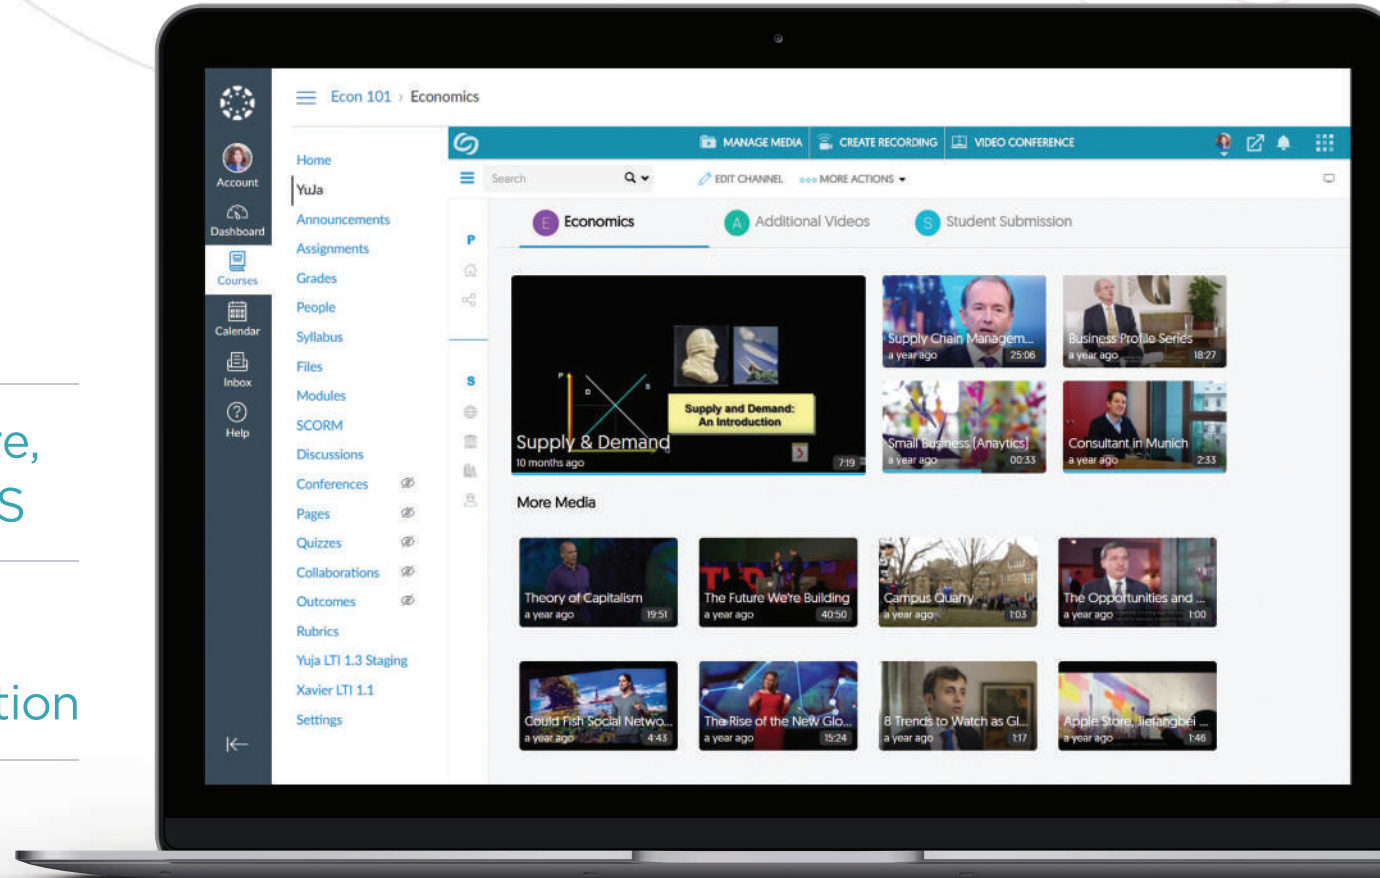

Organize and Categorize

Organize all your content into folders, channels, or within any location on any device.

The screenshot displays the YuJa video CMS interface. On the left, a sidebar shows navigation options like 'PERSONAL', 'My Media', and 'Shared With Me'. The main area features a grid of video thumbnails with titles such as 'Supply & Demand', 'Small Business', 'Campus Quarry', 'Architectural Design', '100 solutions to reverse global...', 'Understanding the Market', 'Inside the team learning', 'Starting a Franchise', and 'Entrepreneurship Education Series...'. On the right, a video player is shown with a play button. Below the player, an analytics panel displays key metrics: Duration (00:00:33), Size (26.36 MB), Views (60), Unique Views (12), Total Play Length (00:35:55), and Play Percentage (100%). A 'Viewing Behavior' line graph shows the number of views over time. A 'See More' button is located at the bottom right of the analytics panel.

Simplify Video Management Within Your Learning Management System (LMS)

- » Content can be seamlessly published to secure course-level channels
- » LTI-based integration enables users to store, organize, and view content within your LMS
- » Secure your content with location security, network restrictions, and password protection

Unique Visual Search Technology for Full Video Library Search

The screenshot displays a video player interface. At the top, there is a search bar with the text "Search...". Below it, a video thumbnail shows a woman in a yellow top and blue apron standing in front of shelves of jars. The video title is "Starting a Small Business" and it was modified 8 months ago. The video duration is 52:58. A play button is overlaid on the video. Below the video, there are several filter tags: Franchise, Consultant, Operation, Small Business, Restaurant, and Business Model. To the right of the video, there is a list of search results with timestamps and text snippets. The first result is at 00:40:03 and says "hasn't really changed the business. Obviously we were the 1st of the con of". The second result is at 00:10:37 and says "restaurant shows one of the most interesting things is like the sourcing the". The third result is at 00:40:13 and says "York. And for us we've been so laser". A "Play All Matches" button is located below the search results.

Powerful Search-Inside-Video

The Video Player provides deep search-inside-video capabilities

Searchable Transcripts

Auto-captioning creates a word-by-word transcript of your

Full Video Library Search

Utilize our Google-like search to quickly search the entire video library

Automatically Generated Metadata

Instantly search through captions, slides, notes, indexes, and comments

Integrated Video and Caption Editing Tools

01.

All-in-one, non-destructive video and caption editing

02.

Intuitive trim-start, trim-end, and multi-cut editing

03.

Full-featured caption editor to add, change, and delete captions

The screenshot displays the Video Editor interface for a video titled "Understanding the Market". The interface is divided into several sections:

- Top Bar:** Contains "SAVE" and "CLOSE" buttons.
- Video Preview:** Shows a video player with a man speaking. A yellow box highlights a graph titled "Supply and Demand: An Introduction".
- Timeline:** A horizontal timeline at the bottom shows the video's duration from 00:00 to 01:20. It includes a waveform, a primary video track, and a captions track. A "CUT" point is marked at 00:09:604.
- Captions Panel:** On the right, a "Captions" panel shows a list of caption segments with their start and end times and text. A "Scrubber" panel is used to trim these segments.
- Editing Tools:** A toolbar at the bottom left includes icons for play, stop, trim, and other editing functions.

Numbered callouts (1-6) highlight specific features: 1 points to the video preview, 2 to the timeline, 3 to the captions panel, 4 to the scrubber panel, 5 to the caption editor, and 6 to the video player controls.

04.

"Scrubber" panel to trim sections of the media streams

Video Editor shows captioning confidence scores

The screenshot displays the Hudson College Media Library interface. At the top, there is a navigation bar with the Hudson logo and the text 'Hudson College Media Library'. Below this, there are links for HOME, LIBRARY, EVENTS, and HELP, along with a login section for 'Yuja Credentials'. The main content area features a video player for a video titled 'Cell Structure'. The video description reads: 'Every cell in the body is enclosed by a cell Plasma membrane. The cell membrane separates the material outside the cell, extracellular, from the material inside the cell, Intracellular. It maintains the integrity of a cell and controls passage of materials into and out of the cell.' The video has 103 views and a duration of 7:21. Below the video player, there is a 'See What's New' section with a horizontal scroll of video thumbnails. The thumbnails include: 'Campus Quarry' (1:03), 'Starting a Franchise' (53:00), 'Consultant in Munich' (2:33), 'Architectural Design' (10:35), 'CEO Interview' (23:40), and 'Business Profile Series' (10:27).
